STANDARD: Community Supervision Agencies that utilize electronic monitoring methods shall develop written policy, procedure and practice to govern its use.

DISCUSSION: None.

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for community supervision agencies and their employees/contractors and juveniles under supervision. They are not intended to establish state created liberty interests for community supervision agencies or their employees/contractors, or supervised juveniles, or an independent duty owed by the Juvenile Justice Authority to community supervision agencies, or their employees/contractors, supervised juveniles or third parties. This standard and procedure is not intended to establish or create new constitutional rights or to enlarge or expand upon existing constitutional rights or duties.
